Where will the donations go?

Charles is Walking to help those that have been affected by AIDS. Charles' beneficiary is AIDS Delaware

How much of my donation will go to the beneficiaries?

This is an excellent question and one you should be aware of. This is usually a difficult question to answer as there are many factors that come into play, like the number of people that sign up and the total donations raised. It is our goal to send as much as possible to the beneficiaries. With that said, **100%** of the donations Charles will raise will go to the beneficiaries. This is only possible because Charles is paying all his expenses for this trip. Charles is paying for all his meals, all his lodging, and transportation to and from the event. Charles feels, as many others do that, that your donations should go to the cause and not pay for his trip.

Are some of the donations used to pay for the event? In this case no, Charles is paying all his expenses so that 100% of your donation will go to the beneficiaries.

A note about Donations: Donations are just that -- not a pledge or promise to pay. Once a donation is received it is not refundable. All beneficiaries are registered 501(c)(3) non-profit organizations and your donation is fully tax deductible.

Matching Gifts: Make sure to ask your company if they have a matching gift program, if you don't know who to ask start with your HR department.
